One Loose Thread

Intro

This is a quick and easy quilt to sew. You can have lots of fun with colour, with fussy cuts or scraps!

It is one simple block. There is variation to the layout depending on what fabric you are using - more of that in the instructions.

The colour combinations are endless. All of my designs here use yardage,

I hope you have as much fun as I did.

*Cheers and regards
Brenda Marie*

Please visit my website at www.oneloosethread.com.au for more designs, ideas and to join in my journey through the wonderful world of quilting.

PLEASE NOTE:

I write my cutting and sewing instructions using a 1/2" allowance for your 1/4" seams.

"Finished block measurements" means the block size in the finished quilt. "Unfinished" or "cut" size means the size of the block before you sew - which will have your seams allowances included.

Therefore a "finished block" size of 4" will be "unfinished" or "cut" size of 4.5". It is the most important thing to remember!

The yardage for this pattern is based on number of colours shown, not for using scraps or jelly rolls. It is also based on using the Easy 8 method for HST.

Hints and Tips

- All seams are sewn at 1/4".
- All seams are pressed open.
- "Nesting" means aligning your seams to match at any joins.
- WOF means Width of Fabric and is assumed to be 40" minimum.
- Be mindful of fabric stretch, especially when pressing. If it is an issue, spray starch helps.
- The measurements will be written in inches. I will show both inches/yards and centimetres/metres when looking at overall fabric requirements.
- A new blade in your rotary cutter is always recommended at the start of a major project.

One Loose Thread

Quilt Size 48" x 72"

12" blocks

No border

**Make 24
blocks**

Fabric Requirements		
	Yardage	Meterage
Fabric 1 (sashing)	60"	1.75
Fabric 2 (4" x 8" finished block)	30.5	1
Fabric 3 (4" x 5" finished block)	~20"	.5
Fabric 4 (4" x 5" finished block)	~20"	.5

You could use:

a jelly roll for the sashing,

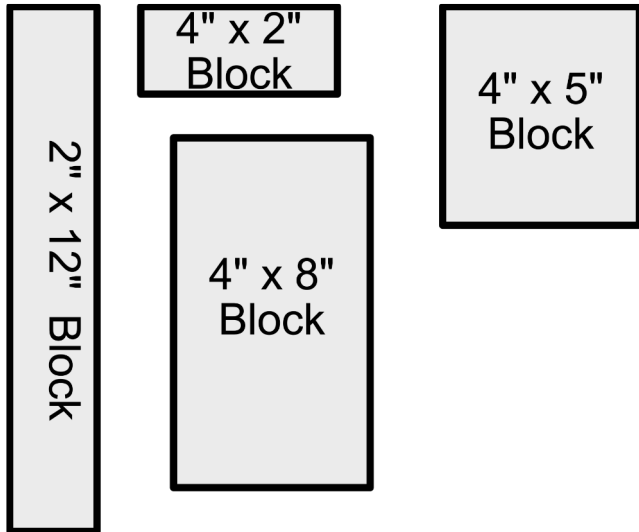

a layer cake for the large
block and one of the small
blocks or,

a charm pack for the small
blocks

or scraps from old projects!

The base blocks

Finished size

Remember your seam allowance!

For each block:

Cut 2 x 2.5" x 12.5"

Cut 3 x 4.5" x 2.5"

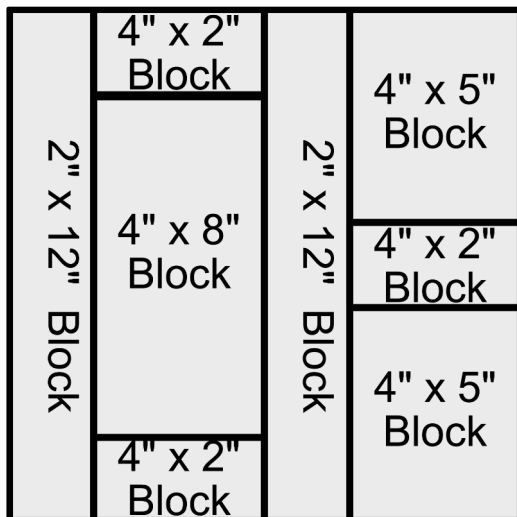

Cut 1 x 4.5" x 8.5"

Cut 2 x 4.5" x 5.5"

**This quilt
has 24
blocks**

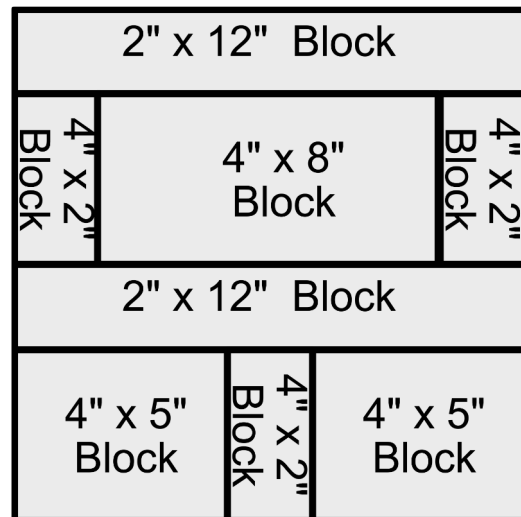

*If you are using directional fabric,
cut your 4.5" x 8.5" blocks
separately. You will need 12 of
each.*
